# First Annual SCC Southeast Chapter Scholarship Awards

The Southeast Chapter is proud to announce our first Annual Scholarship recipients.

**Ms. Jessica Tappan, University of Memphis,  
M.S., Biology**

"I choose to pursue a scientific discipline because of the limitless opportunities I knew it would provide me for my future enrichment both professionally and personally. Since a child I have always wanted to gain a deeper understanding of how humans and the other organisms around me operate, and now how they can coexist in a sustainable manner"

**Ms. Natalie Cox, Tufts University  
School of Engineering; Bioengineering, M.S. Cell & Bioprocess Engineering**

"Bioengineers are trained to understand and utilize the principles of biology, chemistry, and physics to create novel solutions for multidisciplinary applications which makes them great cosmetic chemists! In the personal care industry, bioengineers can work to develop highly selective hydrogels that deliver various active ingredients through dermal applications or design programmable bacteria that produce efficacious pre/post biotic molecules that can be used in products to balance the human microbiome. In light of the COVID 19 pandemic, bioengineers have also been revolutionizing "At home" personal care technologies by developing viable alternatives to numerous salon services. Bioengineering is great field to study if you are interested in cosmetics."

**Ms. Asia Hubbard, University of Cincinnati  
M.S., Cosmetic Science**

"I am honored to be one of this year's recipients of Society of Cosmetic Chemists, Southeast Chapter Scholarship. I am grateful for this opportunity as I can continue my education at University of Cincinnati's MS in Cosmetic Science. My educational pursuits would not have been possible without SCC. Thank you for enabling me to reach my fullest personal and professional potential."

## Member Retention

Don't forget to renew your SCC membership! Simply go to the website at <https://members.scconline.org/> to pay your dues. If you have activated your account and have created your own login and password, simply login. If you have not activated your account you need to do so before proceeding to pay. This is a great way to handle your dues while working from home.

If a chapter has 85%+ retention they get \$1,000 bonus in their rebate. If a chapter has 95%+ they get the \$1,000 bonus AND a free Chapter CEP course OR one SCC Annual Meeting Registration. There are no limits meaning every chapter can receive these bonuses and not just the top three.

As of November 25th, the Southeast Chapter was mid pack, at 36% retention. Help us go over the top and earn our rebate bonus for 2021!

## Newsletter Sponsorships – 2021

The Officers of the Southeast Chapter have opted to keep our Newsletter sponsorship the same as our 2020 rate. Sponsors should not miss this bargain for 5 Newsletters published during the coming year!.

Artwork can be in color or black & white with the yearly price based on size:

2" x 2"	\$325
2" x 3"	\$350
2" x 4"	\$400
4" x 4"	\$600

The Southeast Chapter newsletter will be distributed on-line and by email five times during 2021 and will be published in March, April, June, October and November-December. The newsletters will be posted on the website, <http://www.southeastsc.org>.

Artwork in the highest possible resolution jpeg format needs to be e-mailed to Cathy Anglin [Canglin@JStrickland.net](mailto:Canglin@JStrickland.net) by Feb. 8, 2021 to be included in the first issue.

Payment can be mailed to:

SCC Southeast Chapter  
PO Box 182  
Olive Branch, MS 38654

We are looking forward to a great year for 2021, and invite all of our sponsors to be a part of our success.

## Message from the Chair

Well..... whoever thought we would be taking a picture with Santa wearing a mask? have over 30 named Atlantic tropical storms; seen the Olympics get canceled; or have most of the nation's kids receiving online teaching in their PJs' from home?? 2020 has been that for not just our nation but the world. Within the restrictions brought on by the pandemic, we have all been drawn together to provide stronger support and endurance even while attempting to maintain physical distance and shielding away half of our faces with cloth coverings.

But alas, it's not the adversity, but the response to it that matters. The Southeast Chapter has truly reached new heights despite the world seeming to crumble around us. This year we have attained newfound comradery with sister chapters, reached vast numbers of new and potential members via online webinars and has seen membership and excitement grow by leaps and bounds.

As we attempt to reboot this year and move into 2021, our enthusiasm and zeal has not diminished. We go into 2021 with very experienced and thoughtful leaders looking to renew the value of in person meetings as well as honing the value attained by the virtual seminars. We look to leverage our amazingly versed senior members within our geographical region such as Tony O'Lenick, Martha Tate, Cathy Anglin and Bob Lochhead; to help move agendas and provide sound springboards for innovative ideas.

As is the environment this year, we will have our officer installation via a virtual forum. Our Area IV Director, the esteemed Michelle Linscott, will conduct this to which the information for attendance is as follows:

**Southeast SCC Virtual Officer Installation on Dec 16, 2020 7:00 PM EST/6:00 PM CST**

<https://attendee.gotowebinar.com/register/6526366082190362126>

**After registering, you will receive a confirmation email containing information about joining the webinar.**

Last but certainly not least, as your outgoing chair I leave you all with this:

*Although 2020 may have appeared to be a year of dismay, it would probably say on 12/31/2020 that "I slowed the world down and made you appreciate what you had. As I bid you adieu, I bring into 2021 hope, promise, prayer, courage, and increased focus".*

I wish everyone Happy Holidays and a very, very Happy New Year .
