Char Restaurant — 421 South Highland St., Suite 120, Memphis, TN 38111

Experience modern Southern cuisine and excellent service in a warm, inviting atmosphere at Char. Our specialties include USDA Prime and Choice cuts of beef, along with seafood and shellfish roasted to perfection.

“Requirements for New Raw Materials to be Used in the Cosmetic Industry”

Tanujakumari Ramasubramaniam,
Associate Regulatory Specialist at Revlon

Suppliers are always looking to bring new raw materials to cosmetic companies and this presentation will give an overview of the basic requirements to bring a new raw material into the cosmetic industry. In addition, the presentation will focus on some of the main ingredient- driven regulatory requirements for some of the key markets globally.

Ms. Ramasubramaniam currently works at Revlon Consumer Products Corporation in the Regulatory department. Prior to Revlon, Tanuja worked for a long period at Avon Products in the Raw Ingredients Coordination department.

Message from the Southeast Chapter Chair

We started off 2018 with an exceptional speaker-dinner presentation in Chattanooga. The presentation given by Dr. Douglas G. Hayes on "Advice for Preparing Manuscripts for Publication and Assessing the Quality of Manuscripts and Publications" was very insightful and entertaining. The March meeting was held at the St. John's Restaurant where the food and service was truly excellent. Very Special thanks again to Colonial Chemical for sponsoring the cocktail hour. Also special thanks to Dennis Abbeduto, Molly McEnery and Christine Anderson's efforts in coordinating a truly wonderful event.

For the April chapter meeting, we have a great topic planned for presentation. Tanujakumari Ramasubramaniam, Associate Regulatory Specialist at Revlon will be traveling to Memphis to discuss raw material evaluation and qualification. Her presentation is thus titled "Requirements for New Raw Materials to be Used in the Cosmetic Industry". In the personal care arena, ensuring the proper selection and quality of incoming raw materials is a critical first step in most industrial processes. I believe Tanuja will be quite informative, so please come to the meeting and enjoy the evening with us.

Also, The Southeast Suppliers' Social Event has been set for Thursday, June 21st at The Fire Museum of Memphis. In the heart of downtown Memphis, the FMOM is considered the premiere fire museum in the country, dedicated to documenting and promoting the local history of firefighting and educating the public in fire and life safety. The Suppliers' Social is **always** a great time, and we always appreciate the support provided by our sponsors.

Looking forward to seeing you at our scientific dinner meeting on April 19th in Memphis. Please RSVP to Mr. Albert Bateman, Chapter Secretary, abateman@jstrickland.net.

Sincerely,
Cubie Lamb
SCC Southeast Chapter Chair

Special Thanks to Colonial Chemical

We wish to extend a very special thank you to **Colonial Chemical** for sponsoring the cocktail hour and organizing the March Dinner Meeting in Chattanooga! The officers and members of the Southeast Chapter appreciate everything you do for our group! This meeting would not have been possible without your support and time, and we appreciate your help in providing a location and venue that allows more members from the eastern area of our chapter a chance to attend!

Open your eyes.

the Southeast Chapter at
our upcoming meetings.
We hope to see you there!

SCC National CEP Courses Open for Registration:

1) AEROSOL TECHNOLOGY 101 NEXTGEN

APRIL 10, 2018 (9:00 AM – 5:00 PM CENTRAL TIME)

HELD IN CONJUNCTION WITH THE MIDWEST CHAPTER'S TEAMWORKS

Instructed by **Colleen Rocafort; BASF**, this is a 'Back to Basics' course in aerosol technology. Attendees will learn how an aerosol system works, basic componentry utilized, State and Federal regulations that directly affect aerosol products; and general formulation considerations to be addressed when developing, formulating, and testing prototype aerosols for use in the Personal Care market. Professionals who wish to develop an understanding of aerosol technology as well as those who are actively involved in the development, filling and testing of Personal Care aerosol products would be interested in this course. [CLICK HERE](#) to register.

2) INTERNATIONAL REGULATORY UPDATE

APRIL 10, 2018 (9:00 AM – 5:00 PM CENTRAL TIME)

HELD IN CONJUNCTION WITH THE MIDWEST CHAPTER'S TEAMWORKS

Instructed by David Steinberg & Mo Lovelace; Steinberg & Associates, this course will focus on the changes of the regulations of cosmetics in Canada, the European Union, Japan, and China. Amongst the topics under Europe will be an overview of the recent changes to the EU Regulations and opinions which may lead to more changes, and a review of REACH and its impact on both raw material suppliers and cosmetic manufacturers as of May 30, 2018. The topics covered about Japan include the definitions of cosmetics and quasi-drugs and how they are regulated, and updates of these regulations. China regulations will be about proposed changes, additional approved ingredients, and animal testing. Canada will cover changes to their Hot List, and proposed changes to how sunscreens pilot program is doing and Sel-Care Framework. EVERYONE should attend this course as these changes reflect critical issues for ingredient suppliers, formulators, and marketers of cosmetics. [CLICK HERE](#) to register.

Southeast Chapter Suppliers Social Event

The Southeast Chapter of the Society of Cosmetic Chemists proudly announces the 2018 Suppliers' Social Event to be held Thursday, June 21st at The Fire Museum, 118 Adams Avenue, Memphis TN (Downtown Memphis.) Please see the website for additional information about the museum. <http://www.firemuseum.com/>

The event will consist of a tour of the museum, cocktails, dinner and a drawing for door prizes.

Suppliers are invited to help sponsor this event with cash donations and/or door prizes.

We have special categories of sponsorship: silver (\$150), gold (\$350) and platinum (\$600).

McCullough & Associates has graciously agreed to be the Cocktail Sponsor again this year.

The category sponsors will be recognized from the podium.

If you would like to make a monetary contribution, please make checks payable to: Society of Cosmetic Chemists - Southeast Chapter and mail your contribution to:

Society of Cosmetic Chemists – Southeast Chapter
P.O. Box 182
Olive Branch, MS 38654

As a supplier of the cosmetic industry, this is a wonderful opportunity for you to meet with representatives from product development, purchasing, and management divisions from many of the personal care companies in our area.

If you have any questions about the event or need additional information, please contact our Chapter Chair, Cubie Lamb at 901-218-0140 or clamb@jstrickland.net.

Call for Papers

Naturally Kiawah Symposium

October 4, 2018

DEADLINE April 1, 2018

Abstracts should be single spaced and typed on a separate sheet (150-200 words). Complete generic names as well as the INCI nomenclature are requested for all ingredients (INCI names only allowed in formula presentations if selected). Abstract submissions should be informative, containing:

Presenters Name

Title (Prof., Dr., Mr., Mrs., Ms.)

Author(s)

Company Name, Telephone Number

Fax Number

Email Address

Abstract Title

A sentence statement of the study's objective

Brief statement of methods, in pertinent

Summary of results obtained

Statement of conclusions

Please submit your abstract via Email to scccarolinas@gmail.com

All abstracts will be reviewed and selected CCSCC Education Committee no later than May 1, 2018.

After acceptance of abstracts by the committee, all presenters will be required to submit an electronic copy of their full presentation 4 weeks prior to the event date. Final presentations will be due no later than September 15, 2018. No changes in presentations will be acceptable one week prior to or on the date of the presentation.
