Southeast Chapter SCC 2021 Suppliers' Social Evening

Bass Pro Shop – Ducks Unlimited Waterfowl Gallery

Thursday, June 17, 2021,

Plan to join us for our 2021 Suppliers' Social Event, for a buffet dinner at the Bass Pro Shop in the Ducks Unlimited Waterfowl Gallery! Tour the swamp containing 100 foot tall trees, alligators and 36 varieties of fish. Complimentary tickets to take the nation's tallest free-standing elevator to the top of the Pyramid are included to take in the spectacular views of downtown Memphis, Tennessee from the Glass Observation Deck.

A block of rooms is reserved at the Big Cypress Lodge in the Pyramid for attendees. Big Cypress Lodge is a 105 room rustic retreat, made up of duck lodges, tree house suites, and a Governor's Suite. Each room offers a screened in porch that overlooks the swamp or a view of Memphis.

We hope you can join us in this fantastic venue and explore everything the Pyramid has to offer!

If you are interested in sponsoring this event, please contact Cathy Anglin canglin@jstrickland.net or John Wagner jwagner2020@comcast.net or any of the Southeast Chapter officers listed on page one. Sponsorship is offered at three levels : Platinum, Gold and Silver. Sponsors will be recognized in the upcoming newsletters and at the event.

NOMINATIONS FOR NATIONAL OFFICE DUE 5/1

- Extended deadline to May 1st for self-nominations/applications for those interested in running on the ballot for Area Director or Officer <https://scchq.informz.net/scchq/data/images/SCC%20Board%20Volunteer%20Form%20-%202022.pdf>

SCC CAREER CENTER IS LIVE AS OF 4/12

- Search and apply to top cosmetic & personal care industry jobs; SCC members gain access to job posts 3 days earlier than the general public
- In process of building up the cosmetic/personal care position listings
- Post your available internships for free; special member discounted pricing for regular job postings

SCC MEMBER DIRECTORY IS LIVE AS OF 4/1

- Enhanced and newly redesigned online Member Directory, available exclusively to SCC Members <https://members.sconline.org/Member-Resources/Member-Directory>

75th ANNIVERSARY COMMEMORATION

- We want to showcase our chapters' successes over the coming months, culminating in a celebration at the December annual meeting
- Submit their memories/histories/photos/videos to SCC at history@sconline.org

CALL FOR PAPERS FOR SCC75 - ABSTRACT DEADLINE IS 5/1

- The call for papers for the December annual scientific meeting is open through 5/15 <https://members.sconline.org/Call-for-Papers>

The SCC Madam C.J. Walker Scholarship

Sponsored by 

PROGRAM DETAILS

The Society of Cosmetic Chemists (SCC) Madam C.J. Walker Scholarship, generously sponsored by Mary Kay, signifies SCC's support of under-represented minorities pursuing higher education in STEM (science, technology, engineering, mathematics) in disciplines related to the cosmetics and personal care industry.

Madam C. J. Walker (born Sarah Breedlove; 1867-1919) was an American entrepreneur, philanthropist, and political and social activist. She is regarded as the first female self-made millionaire in America. Walker made her fortune by developing and marketing a line of cosmetics and hair care products for black women through the business she founded, Madam C. J. Walker Manufacturing Company. She became known also for her philanthropy and activism.

Two (2) scholarships, in the amount of \$5,000 USD each (sponsored by Mary Kay), will be awarded to two (2) under-represented minorities (Black/African American, Native/American Indian, and Latinx/Hispanic American) pursuing an undergraduate or post-graduate Degree in chemical, physical, medical, pharmaceutical, biological or related sciences and technology. In addition to the scholarships, SCC will provide each awardee with a \$250 travel voucher, one (1) night's accommodation, and a complimentary full access registration to attend the SCC 75th Annual Meeting & Showcase, December 14-15, 2021 to be presented with the scholarship at the Awards Breakfast.

About Mary Kay

One of the original glass ceiling breakers, Mary Kay Ash founded her beauty company more than 56 years ago with three goals: develop rewarding opportunities for women, offer irresistible products, and make the world a better place. That dream has blossomed into a multibillion-dollar company with millions of independent sales force members in nearly 40 countries. Mary Kay is dedicated to investing in the science

*"What the mind can conceive
and the heart believe, that you
can achieve."*

Mary Kay Ash
Founder
Mary Kay

behind beauty and manufacturing cutting-edge skin care, color cosmetics, nutritional supplements and fragrances. Mary Kay is committed to empowering women and their families by partnering with organizations from around the world, focusing on supporting cancer research, protecting survivors from domestic abuse, beautifying our communities, and encouraging children to follow their dreams. Mary Kay Ash's original vision continues to shine—one lipstick at a time. Learn more at [MaryKay.com](http://www.MaryKay.com).

About SCC

Founded in 1945 and celebrating its 75th Anniversary in 2020, the SCC is the oldest and largest non-profit membership organization serving the cosmetics and personal care industry. Dedicated to the advancement of cosmetic science, SCC headquarters provides unparalleled education, resources, and networking for 6,000 members globally and via 19 chapters across Greater North America. Visit www.sconline.org for more information.

Message from the Chair

To be good at things requires practice. The old saying, “Practice makes perfect.” In that spirit the Southeast Chapter wants to offer a great way to practice your social skills. Has it been awhile since you traveled? Were you taking the quarantine seriously and haven’t been out of the house in months, possibly a year since you saw the inside of a hotel room? Have all your social interactions been on zoom, maybe wearing a nice top but shorts and flip flops on the bottom? Well we say come on out, get dressed top and bottom and spend the evening with us. Our first in person meeting of the year will be at the most amazing Bass Pro Pyramid in Memphis on June 17th. Our Supplier’s Day has always been a great time. A place to make new friends and catch up with old ones. Build and strengthen your network. The more the merrier. Seriously check out the venue in the link below. It will be great. Don’t forget to RSVP and get ready to have fun, come out and practice, practice, practice.

[Big Cypress Lodge | Outdoor-Themed Luxury Hotel | Memphis, TN \(big-cypress.com\)](https://www.big-cypress.com/)

We have rooms set aside for those who are coming from out of town (the email for how to book it has already gone out). The Bass Pro Pyramid is something else with live fish and alligator ponds, huge freshwater fish aquariums and near the top of the pyramid there are glass bottomed overlooks you can walk out onto with a gorgeous view of Memphis and the Mississippi River. It is quite spectacular.

On April 15th the chapter sponsored a Webinar presented by Tom Meyer.

“Taking Safe Synthetics to the Next Level: What comes after Vitamins C & E?”

It was a great presentation discussing options for improved skin protection. Thank you so much for spending the afternoon with us Tom.

Your chapter officers are working hard to put together meaningful and fun events for the rest of the year, and we encourage you to consider attending the Sunscreen Symposium this year as well. You might want to think of Supplier’s Day as a way to practice before your visit to the Symposium. Remember practice makes perfect.

Just for fun I leave you with one of my favorite Chuck Norris ‘facts’.

“Do you know why Chuck Norris sleeps with a night light?”

“Because the dark is afraid of Chuck Norris”

Stephen Baldwin, 2021 Southeast Chapter Chair

Southeast Chapter Member Spotlight

Makeiba Woodard, J. Strickland & Co.

Makeiba is a new member of the Southeast Chapter of the SCC, joining us in 2021.

Where were you born and raised?

I was born in Memphis, TN. I was raised in a small town called Michigan City, MS.

How did you become interested in a career in this industry?

I became interested in being a Chemist after taking many Chemistry courses and labs during my undergraduate studies at University of Memphis. I always found my Chemistry Labs to be fun, exciting, and it was a plus that lab felt so natural to me. After I graduated from University of Memphis, I knew I wanted to work in a Chemistry Lab. Cosmetic Chemistry caught my attention because I want to help people feel and look beautiful.

Where did you go to college and what was your area of study/major?

I attended college at University of Memphis. My major was Biology, and my minor was Chemistry.

Where do you work and what is your job title?

I am currently a Chemist I at J. Strickland & Co.

What is your favorite or most interesting part of your job?

My favorite thing about my job is being able to have an input on the quality and safety of my favorite hair products. I've been using the hair products that we manufacture since I was a little girl, it is an honor to be on the analytical team behind the quality of the products. My absolute most favorite part of my job is the free hair products!

What do you consider your biggest professional accomplishment?

My biggest professional accomplishment was my previous job as a Middle School Stem teacher. This role gave me an opportunity to mentor and teach our youth about different STEM related careers especially Science careers. It was such a privilege introducing students to something new, such as coding and seeing them excel in it. As a result of my teaching accomplishment, I am now on the Shelby County Middle School Advisory Board.

What value do you receive from your membership in the SCC?

As a new member of the SCC, I look forward to meeting like-minded individuals as myself. I am elated to be a part of such a prestige group of smart individuals. I look forward to gaining knowledge from the conversations we will have. I am excited about the collaborations that will come from our awesome conversations.

What is a fun fact about you outside of the SCC and your career/education?

A fun facts about myself is I am Awesome! I love helping others, shopping, outdoor activities, and increasing my faith.

We hope you enjoy our new featured section for the newsletter, Kitchen Chemistry, featuring recipes from the great cooks in our Chapter!

This month's recipe is from long time member and volunteer, John Wagner, the Southeast Chapter Treasurer. We hope you enjoy the yummy Southern Wild Rice and Chicken Casserole.

Our next edition will feature award winning recipes from Chair Elect, Tami Thomas and the Lodge Cast Iron Cookoff at the National Cornbread Festival in South Pittsburg, TN.

SOUTHERN WILD RICE & CHICKEN CASSEROLE

1 package Uncle Ben's Original long grain & wild rice with seasoning (5 min. rice)
(cook according to package instructions)

Mix together in large bowl:

cooked rice from above

4 chicken breasts (precooked and skinned) – diced (or Tyson precooked diced chicken)

1 can French style green beans - drained

1 can cream of celery soup

1 cup mayonnaise (8oz)

1 small can of water chestnuts - drained

1 small jar of diced pimientos - drained

Transfer mixture to glass casserole dish.

Top with grated sharp cheese.

Cover with aluminum foil.

Bake in oven at 350 degrees for 50 minutes.

Remove & cool for 10 minutes before serving.

Enjoy!

Support Society of Cosmetic Chemists.

When you shop at smile.amazon.com,
Amazon donates.

Go to smile.amazon.com

amazonsmile

You can now support the Society of Cosmetic Chemists every time you shop on Amazon! It's a simple and easy way to contribute, at no additional cost to you, to the SCC education fund to help us provide new education opportunities!

When you shop Amazon using the link <https://smile.amazon.com/ch/13-1976655>, you'll find the exact same low prices and convenient shopping experience you're used to with Amazon, with the added bonus that Amazon donates a percentage of the price of eligible items to the Society of Cosmetic Chemists, at no extra cost to you!

GET INVOLVED: Now Accepting Applications for 2022 SCC Board Positions

Volunteer. Get recognized. Be rewarded. Our volunteers would agree, the more you get involved, the greater your network and the stronger your personal brand becomes.

"As a scientist, discovering and applying information that is beneficial to society is without a doubt the coolest part of our profession. This is but one of the principals that drive our innate desire to learning as much as we can in a continually evolving world. That humanly desire to share information and experiences indeed sets the stage to becoming a volunteer. The SCC definitely flames that desire by providing avenues to communicate with students, vendors, colleagues, and academics alike; thus continually feeding the pipeline of advanced scientific knowledge and endeavor." - **Cubie Lamb: 2020 Southeast Chapter Chair**

- **Volunteers** make our events a success (plus volunteers receive complimentary registrations to events!)
- **Volunteers** lead discussions that plans the direction of the Society (showcase your thought leadership and dedication to SCC)
- **Volunteers** establish the Society's standing rules and evaluate the Society's activities (lend your personal and professional expertise)

Nominate yourself for an open SCC position - applications accepted through **May 1, 2021**. Enhance your leadership skills, build a network of peers across the Greater North America, and work on a projects you're passionate about.
