2018 Southeast Chapter Supplier's Social Event

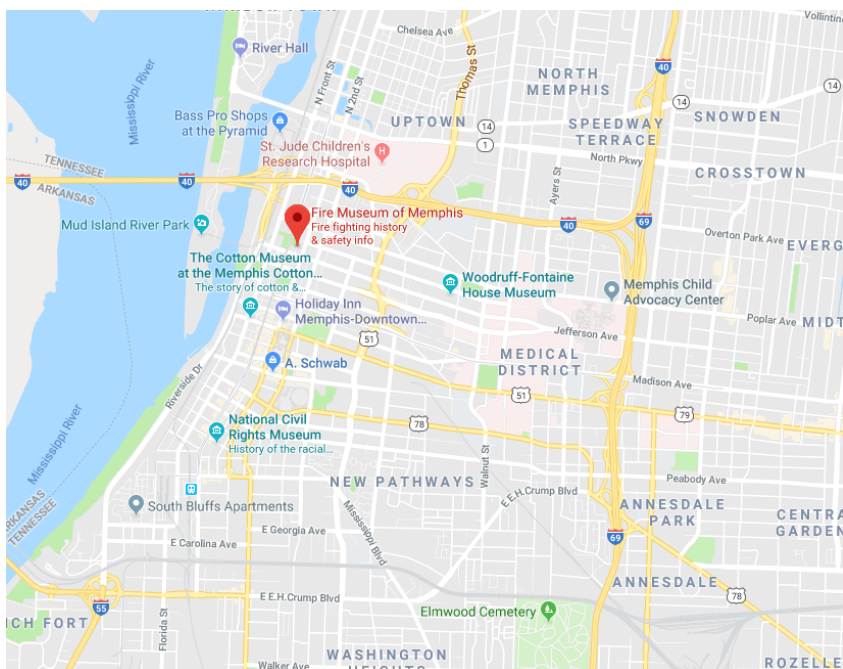

The Southeast Chapter of the Society of Cosmetic Chemists proudly announces the 2018 Suppliers' Social Event to be held Thursday June 21st at the Fire Museum in Memphis TN. The event will consist of a social hour followed by dinner, and a drawing of door prizes.

In the heart of downtown Memphis, the FMOM is considered the premiere fire museum in the country, dedicated to documenting and promoting the local history of fire-fighting and educating the public in fire and life safety. The FMOM hosts fire departments both nationally and internationally in their quest to emulate their success. Working with the University of Memphis to validate their Fire Prevention Public Education Curriculum, the Fire Museum of Memphis is the first of its kind to capture data, testing their Fire Prevention effectiveness. The museum provides interactive exhibits as well as video documentation. In 2014, the museum underwent 1.5 million dollars in renovations.

Suppliers are invited to help sponsor this event with cash donations and/or door prizes. As in years past, we have special categories of sponsorship: silver (\$150), gold (\$300) and platinum (\$600). McCullough & Associates has graciously agreed to be the Cocktail Sponsor again this year. All category sponsors will honorably be recognized from the podium and in the newsletter.

If you would like to make a monetary contribution, please make checks payable to: Society of Cosmetic Chemists - Southeast Chapter and mail your contribution to:

Society of Cosmetic Chemists, Southeast Chapter, PO Box 182,
Olive Branch, MS 38654

Directions and Parking Information

LOCATION

The Fire Museum is located in the renovated Fire Engine House #1 at 118 Adams Avenue in Downtown Memphis.

DIRECTIONS

From East Memphis/Cordova/Bartlett: Take I-40 West towards Memphis. Take the I-40 West exit (10B) towards Little Rock. Take the Second Street exit (1A) towards Third Street and then turn right on to Adams Avenue. Museum will be on the right.

From North Memphis, Millington: Take US-51 towards Memphis. Turn right onto Pear Avenue. Turn left onto North Second Street and the right onto Adams Avenue. Museum will be on the right.

From Mississippi: Take I-40 East towards Memphis. Keep right to take I-240 North (Exit 6B) toward Little Rock. Take the I-40 West exit (31B) towards Little Rock. Take the Second Street exit (1A) towards Third Street then turn right onto Adams Avenue. Museum will be on the left.

From Arkansas: Take I-40 East towards Memphis/Nashville. Take the Front Street/Riverside Drive exit (1) and keep left to take the Front Street North/Front Street South Ramp. Turn Right onto North Front Street and then turn left onto Adams Avenue. Museum will be on left.

PARKING

There are parking lots adjacent to the Museum and limited street parking on Adams. The Museum does not, however, validate parking. Parking on Adams is regulated by parking meters, Monday through Friday, and free on the weekends and after 5:00 pm.

Message from the Southeast Chapter Chair

The Southeast Chapter held our April 19th meeting at Char Restaurant in Memphis.

The meeting was well attended by 29 members and guests. Our speaker, Tanujakumari (Tanuja) Ramasubramaniam, came very well versed with extensive experience from various roles within Avon Products and Revlon. Her topic, "Requirements for New Raw Materials to be used in the Cosmetic Industry" was well researched and presented. The presentation provided a sound overview of the basic requirements to bring a new raw material into the cosmetic industry. In particular, examples presented did a fine job exhibiting regulatory strategies to note for key global markets.

Warm thanks again go out to Tanuja for an excellent presentation and educating us on regulatory requirements for new raw materials!

With that, I am very excited to announce our annual 2018 Supplier's Social Event on Thursday June 21st at The Fire Museum in Memphis. The Fire Museum is a venue that provides a very nice back drop of history in Fire Education. You will surely enjoy the many interactive presentations available during our social hour. We expect this to be a unique and exciting event... I look forward to seeing everyone there, so RSVP early!

ATTENTION! ATTENTION!

In-House CEP Courses Available

In-House Courses are highly-personalized courses brought to companies to address challenges or areas of need. These courses, taught by knowledge experts, provide professionals with an up-to-date cosmetic science education. Recent In-House Courses have been organized for **Benefit Cosmetics**, **Mary Kay**, **Bayer**, the **FDA** and others.

Companies interested in providing in-depth technical information to their employees can contract an education day in a location of their choosing.

- ▶ **SOCIETY** covers the costs of booking the instructor and all of the instructor's traveling expenses (including hotel, flight, car, etc.)
- ▶ **COURSES** can be scheduled for 1 or 2 days on any topic of particular interest to the company
- ▶ **COMPANIES** can choose the instructor if they seek a specific knowledge expert

Current courses available include:

Scale Up & Processing	Botanicals & Naturals for The Naturals Market	Preservatives
Regulatory	Chemistry & Regulations of Cosmetic Colorants	Cosmetic Rheology
Color	Molecular Biology & Gene Expression	Color & Make-Up
GMPS For Cosmetics	Phytochemistry 101 For Cosmetic Chemists	Surfactants
Cosmetic Formulations	cGMPS For Cosmetics and Otc's	Cosmetic Raw Materials
Regulatory Update	Practical Basic & Theory in Emulsion Technology	Fragrance as A Science
Beginning Cosmetic Chemistry	Cosmetic Chemists Guide to Product Development	Silicone Chemistry
Basic Hair Science	Sustainable Cosmetic Product Development	<i>and more!</i>

To reserve a course for your team,

30TH IFSCC CONGRESS
18-21 SEPTEMBER 2018

"Cosmetics: Science for Beauty and Lifestyle"

INFINITY Hotel & Conference Resort Munich

Join us at the 30th IFSCC
Congress in Munich ...

... where we will explore what modern society wants in terms
of beauty and lifestyle.

The location will provide the perfect setting for gaining new insights in the
field of cosmetics as well as networking with other potential business
partners from within the industry. After the 4-day congress, why not stay on
and visit the world-famous "Oktoberfest", where you can enjoy Bavarian
food and hospitality.

Green Star Award presented at 72nd Annual Scientific Meeting

The Society of Cosmetic Chemists is delighted to announce the latest award, the **Green Star Award**, will continue being awarded at the 72nd Annual Scientific Meeting & Technology Showcase. Sponsored by Colonial Chemical, Inc., this award will be presented to the formulator who has done the most to accomplish green formulations during the past 12-month period.

The Green Star Award winner will receive a scroll, a \$2,000 honorarium and a complimentary SCC membership for **One Full Year!**

Procedure

1. To be considered for the **Green Star Award**, formulators must reply by June 29, 2018.
2. The submission must be a commercialized product and must include the following:
 1. *Sample of the product in its commercial package*
 2. *Complete list of ingredients*
 3. *Testing done on the product for efficacy and marketability*
 4. *Complete documentation for any agency approvals*
3. The completed submission should be sent to the SCC National Office, 120 Wall Street, Suite 2400, New York, NY 10005. It will be reviewed by a committee who will make their determination based on the **Green Star™ Rating**, a *classification* system developed by industry professionals designed to allow the formulation chemist the ability to maximize the natural component in products. The higher the **Green™ Star Rating**, the more 'green' the product.

The submission deadline for the Green Star Award is June 29, 2018. Should you have any questions, please feel free to contact the National Office scc@scconline.org

Good luck to all submissions!

New Time and Location – September Meeting

The Southeast Chapter will be trying a new time and location for our meeting on September 20, 2018. We will be hosting a luncheon meeting in the Nashville, TN area instead of our usual evening meeting near Memphis. The venue has not yet been determined. If you have any suggestions, please contact Christine Anderson, Colonial Chemical, Inc., Christine.anderson@colonialchem.com who has graciously agreed to locate the venue for the Chapter.

The speaker for the program will be Paul Slavashevich, Symrise USA, Cosmetic Ingredients, Technical Service. Please plan to attend this meeting, which was set up to better serve the members in that area.

Scenes from the April 2018 Meeting at Char Restaurant, Memphis

Attendees enjoyed the food at this fine restaurant and the presentation by **Tanujakumari Ramasubramaniam** on the regulatory requirements for raw material selection—from California's Proposition 65 to REACH requirements for EU.
