Chatting with the Chair

Dear All,

Happy Spring! We were thrilled to be back in Memphis and see some familiar (and new) faces at our April meeting. Thank you to everyone who was able to join us. Dr. Nelson Ayala did not disappoint! We were wowed by his educational and interactive presentation demonstrating the science and benefits of wine, chocolate and roses. Three of my favorite things!

We are closing in on our renowned Suppliers' Social coming up on June 16, 2022. Another magnificent event that you do not want to miss! This year we are celebrating at Old Dominick Distillery in Memphis, TN. We will enjoy the privacy of their third floor and rooftop lounge after being greeted with a welcome specialty cocktail. Please join us for an evening of amazing fellowship, food, drinks and fun! You will want to RSVP and register early as we will require payment in advance for this meeting due to venue regulations. No payments will be received the night of the Social but we have made it super easy to prepay electronically by providing your email upon registration. There's also still time to sponsor and gain special recognition at the event and in our promotions.

While this year is flying by, we have lots of good things yet to come, including a virtual CEP course in early fall. Look for more details soon!

And don't forget to answer this newsletter edition's trivia question! We want to award a winner with a prize at the Social.

See you in June!

Tami Thomas

2022 SESCC Chapter Chair

For the first time ever, the Society of Cosmetic Chemists' Annual Meeting is traveling outside of New York City to...

Los Angeles, California

Continuing with a 2 ½ day education format, the 76th Annual Scientific Meeting & Showcase is December 12-14, 2022 at the JW Marriott LA Live. As the premier conference for cosmetic science education, we'll feature 35 podium lectures covering the latest research and innovation in: **Diversity in Beauty; Fragrance; Indie Beauty; Sustainability; and more.** Click the banner above for more information.

FUELING TOMORROWS

SCC Southeast Chapter 2022 Suppliers' Social Evening

June 16, 2022 – Old Dominick Distillery, Memphis, TN

Join us for our 2022 Suppliers' Social Event, at Old Dominick Distillery. We will have the 3rd floor and terrace (rooftop) private for our event. Plan to join us for a night of great fellowship and fun including welcome cocktails, trivia, door prizes, dinner, drinks, and corn hole!

For Sponsorship information, contact canglin@jstrickland.net. Sponsors will be recognized at the event, on our website, and in our Newsletter.

About Old Dominick's Distillery¹

Steps away from the site of the original building, Old Dominick's 150-year-old story is revived and ready to be shared. See the distillery for yourself and learn what makes Old Dominick and turn of the century Memphis so special.

In 1849, Domenico Canale sailed from Italy to New Orleans and traveled up the Mississippi to Memphis Tennessee, working for his uncle then founding his own food wholesaler which also sold whiskey in ceramic bottles he labeled Old Dominick. In 1880, he developed the Dominick Toddy, a bourbon based cordial with fruity overtones.

In 2013, after discovering an unopened bottle of the Dominick Toddy from the late 1880's, Domenico's great-great-grandsons, Chris and Alex Canale planned to open a distillery located in the heart of downtown Memphis.

In 2017, the distillery produced its very first batch of Tennessee Whiskey, the first legally made in Memphis since prohibition.

Join us for this event to visit this iconic distillery and "Share a Sip of Pure Memphis."

2022 Southeast Chapter Scholarship

Undergraduate/Graduate Scholarship Applicants:

The Society of Cosmetic Chemists, Southeast Chapter will award one \$2,000 scholarship to an undergraduate or graduate student exhibiting academic excellence in any science-related discipline.

This scholarship is an achievement-based honor awarded to the student based on their leadership attributes; academic merits; extracurricular activities, and any applicable research projects related to the field of study, if applicable.

The Southeast Chapter's website, <http://www.southeastsc.org/scholarships.html> will display forms and instructions to assist in the application process.

The Southeast Chapter's Scholarship Committee is comprised of a panel of volunteers. The application period will span April 1st to June 1st to which our committee will initiate review of applications from June 15th – July 15th, 2022. The Scholarship winner will be notified by email on August 1st, 2022, with awarding of funds to the prospective educational institution occurring on or about August 15th. A short biography and photo of the Scholarship winner will be published in the next corresponding SESCC newsletter and on the website.

We look forward to receiving your application and wish you the very best in your future endeavors.

Best Regards,

Tami Thomas
2022 Southeast Chapter Chair

Employment Opportunities: Please check our website for detailed job listings at

Southeast Chapter Membership Count

On April 30, 2022, the Society of Cosmetic Chemists Southeast Chapter had 126 members! Help our Chapter grow by letting your colleagues know all of the benefits the SCC offers to its members!

For membership categories, benefits, applications and more information, please see <https://www.sconline.org/Membership>.

Roasted Broccoli

Ingredients:

- 2 heads of broccoli, cut into florets
- 3 tbsp olive oil
- 5 cloves of minced garlic
- 1 tsp salt
- ½ tsp black pepper
- 1 tsp lemon juice
- Pinch of red pepper flakes (optional, to taste)

Directions:

1. Preheat oven to 400 deg F.
2. In a large bowl, toss the broccoli with olive oil, salt, black pepper and garlic. Spread the broccoli in a single layer on a rimmed baking dish.
3. Bake until florets are tender enough to pierce with a fork and the edges are browning, about 15 minutes. Turn once halfway through the baking process and add red pepper flakes, if using. After baking, sprinkle lemon juice over the broccoli and serve.

Note: This is even faster in an air fryer!

The Society of Cosmetic Chemists HQ's NextGen Advisory Group would like to invite your chapter to collaborate with us! The purpose of the NextGen Advisory Group is to assist with strategy development to increase program visibility, engagement, and impact of our programs to next generation of cosmetic chemists. Our efforts are currently focused on social media, outreach, education, and career development for Student, Junior, and early careerist General members.

We are seeking opportunities to talk with undergrad and grad students as well early careerists in cosmetic science to help keep the Society of Cosmetic Chemists' membership growing and help prepare them for careers in our industry. We are collaborating with the Chapters to produce career development-focused events in the coming months , including:

New York Chapter of SCC – Career Day at the [NYSCC Suppliers' Day](#), May 3-4, 2022.

April Meeting

Attendees enjoyed a wonderful meal at NAPA Café in Memphis and learned a lot about the chemistry and sensory characteristics of Wine and Chocolate (with wonderful samples provided for our own evaluation) from Dr. Nelson Ayala.
