Message from the Chair

Message from the Chair,

As I look out my window, I see the leaves changing colors and can't believe the year is almost over. 2021 was supposed to be the return to normal. One could say 'more normal than 2020' but still pretty crazy. In spite of the challenges, the chapter was able to do some great things this year.

We started our 2021 activities with a terrific Webinar from Tom Meyer, followed later by a super fun social event at the Bass Pro where we also said goodbye to our dear friend Lisa Sloan, met in Chattanooga for a wonderful presentation from Evonik's Dr Abigail Casey followed by ax throwing, and we will wrap the year with Officer Installation in Memphis November 18th. We have also selected a scholarship recipient, Mallory A. Butts, and members of the chapter continue to help Spelman College with the development of a Cosmetic Science Certification Program. As you all know I feel very strongly that we are the best chapter, we have the most fun, and while doing so contribute immensely to our communities and industry. How awesome is that?

Just a few more details on our most recent activity. We had a good turn-out in Chattanooga with a tasty dinner at the Feed Co. They really did a good job taking care of us, the atmosphere was nice, great people and we had our own room. While eating Dr Abigail Casey of Evonik provided a wonderful presentation on,

"The needs and Care of Melanin Rich Skin types - A point to be addressed by Inclusivity trends for cosmetics"

If you are working for a company that is making skin care products for a wide range of skin types or especially for people with melanin rich skin I would highly recommend the presentation.

Afterwards many of us went to the <https://valkyrieaxethrowing.com/> for ax throwing. We had fun throwing sharpened steel at wooden targets. The sky the moon and the stars aligned, and I stuck three in a row pretty close to the bullseye. It actually looked like I knew what I was doing, but I don't think I stuck another all evening. The gods of ax throwing are very fickle. Special thanks to Colonial Chemical for sponsoring the ax throwing.

Our final event of the year will be officer installation in Memphis November 18th. We will be meeting at,

<https://www.seasons52.com/locations/tn/memphis/memphis/4533>

Seasons 52 always does a good job. We have reserved the Carneros room so it will be cozy, with around thirty of your favorite industry colleagues.

So drop in and hang out for the evening, catch up with old friends and please make some new ones.

I hope to see you there.

Sincerely,

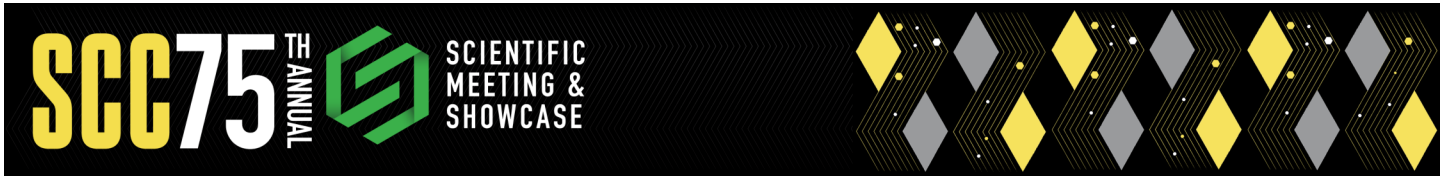

Stephen Baldwin, 2021 Southeast Chapter Chair

Just for fun, three Chucky facts.

"Chuck Norris and Super Man got in a fight. Loser had to wear their underwear on the outside".

"Chuck Norris can slam a revolving door".

"Chuck Norris has actually been dead for 5 years, but the Grim Reaper is too afraid to tell him".

Where the world connects for the best cosmetic science for 75 years!

December 13-15, 2021 | Sheraton New York Times Square

The Society's Annual Meeting is the premier conference for cosmetic science education. This year, we'll feature 35 podium lectures covering the latest research and innovation in: **Diversity in Beauty; New Discoveries in CBDs and Microbiome; Skincare at the Forefront; 75 Years of Beauty & Beyond; and more.**

The Annual Meeting convenes over 1,200 attendees from some of the top cosmetic/personal care brands and manufacturers - who in the past have included: **Aveda, Avon, Bayer Consumer Care, Chanel, COTY, The Estee Lauder Companies, Henkel, John Paul Mitchell Systems, Johnson & Johnson, L'Oreal, Mary Kay, Procter & Gamble, Reckitt Benckiser, Revlon, Rodan + Fields, Shiseido, Unilever, and so many others.**

For information and registration: www.sconline.org

Thank you so much for your patience as SCC Headquarters planned for our first **IN-PERSON** event since 2019! We are delighted to announce that the Society's **75th Annual Scientific Meeting & Showcase** is now open to take registrations.

This is going to be an exceptional event because while this is our 75th Annual Meeting, we are also celebrating 75 years of business. As you may have noticed, our typical 2-Day meeting just wasn't enough for what we have in store, so we've added another day! **Join Us** December 13-15, 2021 at the Sheraton New York Times Square. Some of the best cosmetic science education will be presented by top notch speakers. We're offering a number of ways to reconnect.

Annual SCC Southeast Chapter Scholarship Award

The Southeast Chapter is proud to announce the our first Annual Scholarship recipient, Ms. Mallory A. Butts, a sophomore enrolled in dual majors in Chemistry and Chemical Engineering at Spelman College. We want to congratulate Mallory and welcome all of our student and faculty members from Spelman to the Southeast Chapter.

I am sincerely honored and humbled to be selected as a recipient of The Society of Cosmetic Chemists Scholarship. Thank you for your generosity and invest in my future to eradicate skin health disparities. My aspirations include formulating skincare for people of color, to decrease the disparity gap currently in the cosmetic industry, which is why I believe this investment in me, is not solely an investment in my collegiate career, but also in the future of health justice. Again, I thank you for this generous award, allowing me to afford class materials, books, and other student and club fees.

Mallory A. Butts

Congratulations to the Door Prize Winners in Chattanooga

A special thanks to Tony O'Lenick for donation of the Door Prizes for our October Meeting!

Pictured, from left to right are June Zhang, Michelle Knox, Jenina Williams-Thomas, Tony O'Lenick, Kara McClure, Pete Colombo, Carmen O'Hagan and Shira Acklin.
