# Chatting with the Chair

Dear All,

Can you believe we're closing in on another year already? As for my first year as Southeast Chapter Chair, it was truly an honor to work alongside some of the most talented and experienced leaders in our industry. Because of our dedicated volunteers, our chapter continues to thrive. Thank you to all who have helped in any capacity. It is truly appreciated.

We've been busy these last few months and appreciate the support of our members, leaders and volunteers. Special thanks to those who attended our CEP Course in September and those who joined us for our Lunch and Learn in Murfreesboro. Much to be learned from these remarkable instructors!

While we're excited to look ahead and see what's on the horizon for 2023, let's not forget about our upcoming End of Year Celebration and Officer Installation on November 17<sup>th</sup> in Southaven, MS. Also at this meeting, we will be voting for approval of the changes to the Chapter Bylaws. We're looking forward to celebrating and welcoming our new and returning officers as they lead us into another great year!

And don't forget to answer this newsletter edition's trivia question! We will award another prize winner at the November meeting.

See you soon!

Tami Thomas,

2022 SESCC Chapter Chair
