Message from the Southeast Chair

Hello and welcome to the September newsletter! If you're not in broiling heat, you're probably having washout rain-maybe a little of both, but soon fall will give us all some relief...

Big news in the Southeast Chapter; we now have our own website! On the site you will find listings of coming events and great photos of past ones as well as useful links, past newsletters, membership info and other news. Check it out at www.southeastsc.org; you might see yourself immortalized in our gallery! Many thanks to Lisa Sloan and John Wagner for putting it together and launching it. John has also generously taken responsibility for site maintenance so please send any suggestions for additions to the site to him.

We had a great Supplier's Social Event in June at the Belz Museum of Oriental and Judaic Art. The artifacts, art and food were fantastic and the attendance was great. A big thank you to our sponsors at the platinum, gold and silver levels as well as the refreshment sponsor! Thanks also to those who brought door prizes; the drawings are always a fun part of the evening. A very special thanks to Lisa Sloan who was the primary organizer, decorator, coordinator and food meister for the event; great job! Lisa has tirelessly served as venue finder/arranger for regular meetings and Supplier's Nights for years as well as serving in other officer positions simultaneously! Of course our other dynamo is John Wagner, who wears too many hats to enumerate here while also serving as chair in years past and as current area director. Thanks to both members of our dynamic duo; check out the pic of them at the top of our gallery page on the website!

Our September event will be an aerosol course taught by Harry Wu. It will be held at the Merck facility in Memphis and is free to members of the Southeast Chapter; a great opportunity! Please RSVP to Billy Manness. Space is limited so please act now; I look forward to seeing you there.

Kevin Fowler
