## Message from the Southeast Chair

Hello and greetings from the chair. What a great summer we had. For Memphis I don't think anyone can remember a cooler July and August. The Southeast Chapter Suppliers Social Event was outstanding. This year's event was at the beautiful Dixon Gallery and Garden. For the first time we added a theme to the event. This year was golf, due to all of the wonderful golf related door prizes and the many people in our group that love the sport. Lisa Sloan did a marvelous job setting up everything, especially the theme decorations. We had a brief history of the sport and a number of golf related jokes interspersed throughout the evening. With such a great group of people we had no choice but to have a good time.

We would like to thank everyone that came out, our sponsors and especially McCullough & Associates for sponsoring the cocktail hour and wine during dinner.

To shake things up our next meeting is going to be a CEP Course "Polymer Stabilization of Emulsions Dispersions and Structured Liquid, instructed by Dr. Bob Lochhead on September 24<sup>th</sup> at the Merck Consumer Care facility. The Southeast Chapter will provide a light breakfast, lunch and a cocktail reception for attendees. I am sure it will be fun, fascinating and educational so please RSVP to our Chapter Secretary, Paul Allen, right away.

The Southeast Chapter is a lot of fun. It is almost that time again to select next year's officers. If you have an interest in running please let us know by October 1st. Thank you so much for all you do.

See you at the Polymer Course and please remember to RSVP.

Sincerely,  
Stephen Baldwin  
SCC Southeast Chapter Chair
