Message from the Southeast Chair:

Last month's dinner meeting turned out great. The food at Ciao Bella was good, the company as always was wonderful and the speaker, Carole Feole, knowledgeable.

This month's Southeast Chapter dinner is stacking up to be a lot of fun as well. The April meeting will be held at Boscos Squared Restaurant for dinner followed by a presentation by Evelyne Bismuth titled, "Beauty, Sustainability & Biodiversity – New Challenges & Impacts for the cosmetic industry". With all of the consumer interest in natural and sustainable the topic couldn't be better.

The Southeast Chapter officers are pleased to announce our venue for the Southeast Chapter Suppliers Night Social event on June 16th. We will spend the evening on the grounds of the National Ornamental Metal Museum, just south of downtown Memphis overlooking the mighty Mississippi River. The grounds are decorated in interesting thought provoking metal sculptures and ornaments.

"The National Ornamental Metal Museum is the only institution in the United States devoted exclusively to the preservation and promotion of fine metal-work. Unlike ordinary museums, it isn't just a place where art is displayed; it's a place where art is made."

www.metalmuseum.org

The evening will start at 5:00 pm with a tour of the museum until 6:00 pm followed by dinner and door prizes under a tent set up on the grounds. Live Music will play during dinner.

Mark your calendar for June 16th and begin making arrangements to join us for a fun filled event.
