## **Message from the Southeast Chair:**

Hello and greetings from the chair for our first newsletter of 2011! It's going to be a great year, and I would first like to be sure we include all of our 2010 members as well as new ones so please renew your memberships if you haven't already. Your renewal will ensure you get all of our newsletters and announcements.

Our March meeting will be at the Grove Grill where Elzbieta Kasperzyk will speak on use of proteins in personal care. Sounds like a great presentation; meeting location is detailed on page 1 of the newsletter.

We have expanded opportunities for vendors in 2011. As you know, in the past we have expressed gratitude to selected vendors via posters at some monthly meetings for sponsorship of drinks. Since interest in this has been positive, we would like to continue this in 2011. Drink sponsorships are \$250.00 and the sponsor will be honored with an individual poster with logo at the meeting and a thank you from the chair at the opening of the meeting. Please contact your chair (me!) if interested; there are a limited number of slots.

Another opportunity for sponsorship will be extended for our Supplier's Social. Vendor sponsorship has always been a critical part of our supplier's night success and this year we have established tiers of support. Silver is \$100, gold is \$250 and platinum is \$500. All sponsors will be listed on a poster, and thank you's will be announced.

This year's Suppliers Social will be held May 25<sup>th</sup> at the Brooks Museum in Memphis where we will enjoy an exhibition of Chinese artifacts and cultural information. The Memphis Harp Ensemble will be performing as they did last year, and they have even promised some Chinese themed music! You can be sure it will be a great time!

See you at our scientific dinner meeting on March 23rd!

Kevin Fowler  
Southeast Chapter Chair

## A Remembrance

With deep regrets and sadness we inform you that Terry Cesario, the executive director of the Society, passed away January 16th at her home. For the past three decades Mrs. Terry Cesario worked with the Society of Cosmetic Chemists. We have lost a good friend as well as an outstanding leader that fought relentlessly for the benefit of the SCC and all its members. Terry was a true professional and her service went well beyond the call of duty.

Terry was an outstanding leader, friend and above all a wonderful woman. Her presence and influence will be sorely missed by all.
