Message from the Southeast Chair

The year is just about over. Before you know it we will be having the SCC National Scientific meeting in New York.

Our last meeting at McEwen's was well attended. We filled all of the available space in their below ground wine cellar/ banquet room. Most of us didn't even hear the tornado warning sirens nor did we know about the heavy rains until it was time to go home. It was so fun seeing all of you there. Jennie Kravchenko of Clariant provided us with a well done and insightful presentation pertaining to alcohol gel hand sanitizers. They really have a novel approach for creating pearlescent or 'sparkly' hand sanitizer products.

Our next and last meeting of the year will be Officer Installation on Wednesday Nov 14th. This year we will again be going to Folks Folly Prime Steakhouse Restaurant. They always do such a good job serving tasty food, so I have been looking forward to it all month.

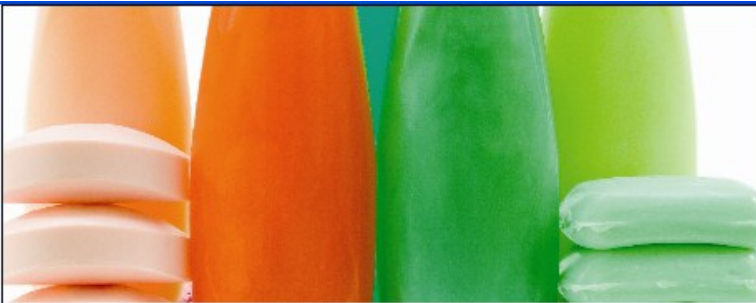

Please remember to vote your 2013 Southeast Chapter elections and send your signed ballots back by Nov 6th.

The year is wrapping up. I have enjoyed meeting with all of you during our dinner presentations and social events. Lisa Sloan does such a fantastic job with venue selections. Her knowledge of the local foodscape always amazes me. Next year Kevin Fowler will be our Chapter Chair. I can hardly wait to see what next year will bring and the interesting topics will we learn.

Looking forward to seeing you at the Officer's Installation.

Sincerely,

Stephen Baldwin
SCC Southeast Chapter Chair

Ei Essential
INGREDIENTS,

SURVEY OF SOUTHEAST MEMBERS

In an effort to best serve our entire Southeast chapter, we are in the early stages of planning a satellite scientific dinner meeting in Chattanooga, TN. This meeting would occur early Spring 2013.

If you believe you would be interested in attending such a meeting, please email Dennis Abbeduto at Colonial Chemical at dennis@colonialchem.com by 11/30/2012.

You will not be registering for the meeting at this time. We are simply gauging interest in the number of people willing to attend a meeting in Chattanooga to help select an appropriate venue.
