Directions to River Oaks Restaurant 5871 Poplar Ave. in Memphis
(see purple marker on map below).

If traveling east on Poplar Ave, after crossing over I-240, take the first left turn to travel west on Poplar, then turn into the entrance for River Oaks

Message from the Southeast Chair:

The September dinner meeting at Currents Fine Dining was spectacular. Our House-Chair, Lisa Sloan, continues to do an outstanding job finding and arranging these events, thank you Lisa.

The speaker at the September meeting, Christine Barrett of ISP, did an excellent job and left us with much to think about regarding the behavior mechanism of various polymers and how their chemical and physical properties impact SPF and water resistance of alcohol sunscreen formulations.

Your Southeast Chapter officers for the year 2010 are looking for volunteers to be next year's officers. We need to send the ballots out soon so that we can have them returned and tallied in time for our November officer installation. We need the following volunteer positions filled:

Chair-Elect, serves for 2011 and then becomes Chapter Chair for 2012.

Treasurer-Elect serves for 2011 and then becomes Treasurer for two years, 2012 & 2013.

Secretary will serve as secretary for the year 2011.

If you have any interests please contact me or any of the other officers, contact information is on the front of the newsletter.

The October meeting will be at the River Oaks Restaurant

<http://www.riveroaksrestaurant.com>

For those of you coming from out of town the restaurant is close to Poplar and Interstate 240. You may want to make hotel reservations on the east side of town. The evening should be fun as we will have a chance to meet old friends and renew our sense of community. The evening's presentation will be given by Paolo Marchesi of Soliance, titled "Calcium Keto-Gluconate Increases Skin Elasticity".

See you there!

Stephen Baldwin
Southeast Chapter Chair
