Message from the Southeast Chair:

First a big **THANK YOU** to all who helped to make our June Supplier's Night Social Wine Tasting Event such a great success. Besides the social and business aspects, I hope everyone learned a little bit more about wine! A list of the sponsors is on page 5 of this newsletter.

Our September meeting will be at Circa Restaurant in downtown Memphis. We have a special speaker on green chemistries, Marcie Natale from Eastman Chemical. She is the recipient of the 2009 presidential EPA award for green synthetic pathways and is a specialist in biocatalysis. She will be presenting on the EPA's 12 principles of green chemistry and we are fortunate to get a presentation on this from the award winner.

Please keep in mind that your opportunity to be an influence on the operation and direction of the Southeast Chapter is at hand! Nominations are being accepted for two open positions: Chair -Elect (becomes Chapter Chair in 2011) and Chapter Secretary. Nominations will be open now and will continue through September for the October election so consider making your mark on the future and run for office!

I look forward to seeing you at the September meeting.

Kevin Fowler
